

Regulation 6: Requirement where the service provider is a body other than a partnership

Health and Social Care Act 2008 (Regulated Activities) Regulations 2014: Regulation 6

The intention of this regulation is to ensure that the provider is represented by an appropriate person nominated by the organisation to carry out this role on their behalf (nominated individual). The nominated individual is responsible for supervising the management of the regulated activity provided.

This is because providers who comply with this regulation will have appointed as a nominated individual a director, manager or secretary who:

- Is of good character.
- Is able to properly perform tasks that are intrinsic to their role.
- Has the necessary qualifications, competence, skills and experience to supervise the management of the regulated activity.
- Has supplied them with documents that confirm their suitability.

CQC cannot prosecute for a breach of this regulation or any of its parts but we can take regulatory action. See the [offences section](#) for more detail.

CQC must refuse registration if providers cannot satisfy us that they can and will continue to comply with this regulation.
