

Performance report

The performance report consists of 4 sections:

Forewords from CQC's Chair and Interim Chief Executive

Performance overview

A performance summary for 2022/23 that highlights important achievements, progress towards our objectives and targets, and our impact as a regulator.

Our financial resources

An overview of the funding we receive, where our expenditure is incurred and how we aim to demonstrate value for money.

Performance analysis

A performance analysis for 2022/23 that is a detailed explanation of our performance during the year, with evidence to support the performance overview.
